Highlights

- UPGRADE TO THE VICKYWOOD BESTSELLER**
 Our most popular model gets upgrades: angled shape, more storage space & clever features.
- WATER? RUNS OFF!**
 Thanks to the new poles, water runs off perfectly and doesn't collect on the tent fabric. Water pooling? Not a chance.
- PLENTY OF SPACE**
 Not only does the huge 240 cm deep sleeping area provide extra space for bags – organizers like shoe pockets, a cargo net, and loops for attaching items to the tent floor ensure you have a place for everything.
- OPTIMIZED FOLDING MECHANISM**
 Additional elastic bands and straps inside and out ensure that the fabric folds seamlessly into the tent without overlapping. Easy opening thanks to gas springs!
- LET THERE BE LIGHT**
 Removable windows, convertible overhang, large skylights: the BIG WILLOW 4.0 is a marvel of light. You're as close to nature as you want to be.
- WELL-DESIGNED INTERIOR:**
 LED lighting, mesh underlay, pockets and mosquito nets are integrated as standard.
