Why the CUMARU LIGHT?

- **ULTRA-LOW-PROFILE & AERODYNAMIC**
  At only 15.7 cm tall when closed, the CUMARU LIGHT stands out with its slim design. The durable aluminium hard shell creates a compact vehicle profile - ideal for long road trips.
- **READY IN NO TIME**
  Release two buckles, open the tent and attach the ladder. Thanks to premium STABILUS gas struts, the CUMARU LIGHT opens effortlessly and is ready for the night in moments.
- **WEATHER-RESISTANT & RELIABLE**
  The robust aluminium hard shell and durable ripstop tent fabric with a 5,000 mm hydrostatic head provide reliable protection against wind and weather – for relaxing nights in nature.
- **RESTFUL SLEEPING COMFORT**
  The 6 cm thick memory foam mattress comfortably adapts to your body. An additional mesh underlay promotes air circulation and helps maintain a pleasant sleeping climate.
- **ROBUST CONSTRUCTION**
  The combination of a sturdy aluminium hard shell and an aluminium honeycomb base panel ensures excellent stability and durability – ready for any adventure.
- **THOUGHTFUL DOWN TO THE DETAILS**
  Dimmable LED lighting, practical organisers and mosquito nets provide additional comfort. Integrated accessory rails also allow flexible expansion with compatible equipment.
