Highlights

- INNOVATIVE X-HINGE DESIGN**
 The special X-hinge raises the rear of the tent, providing noticeably more headroom and legroom. The result is a particularly pleasant feeling of spaciousness – comfortable for all body sizes.
- MORE SPACE, MORE COMFORT**
 The raised UP design creates an open, airy interior and offers greater freedom of movement – ideal for sitting, changing clothes, and relaxing.
- SELF-OPENING SIDE WINDOWS**
 The side windows open automatically when the tent is unfolded. No readjustment, no extra steps – quick, convenient, and intuitive.
- AERODYNAMIC ALUMINUM HARDSHELL**
 Streamlined design for smooth driving. The sturdy aluminum shell is easy to use and can be opened and closed in seconds.
- WELL-DESIGNED INTERIOR**
 A spacious organizer, atmospheric LED lighting, and mosquito nets on all windows create order, comfort, and a pleasant atmosphere.

Why the CUMARU UP?

• COMFORT – A LEVEL UP

Thanks to the newly developed UP construction with X-hinge, the rear interior gains noticeable height and freedom of movement. More space, more air, more comfort – for a pleasant feeling of well-being regardless of body size.

• QUICKLY READY FOR USE

Unfold, attach the ladder, and you're done. The side windows also open automatically – without any additional steps. The CUMARU UP is ready for the night in just a few seconds.

• WEATHERPROOF & RELIABLE

High-quality aluminum shell with excellent thermal insulation and high water resistance (3,000 mm water column) – for restful sleep in any weather.

• BREATHABLE TENT CONCEPT

Optimized ventilation in the fabric and construction reduces moisture, improves the climate inside the tent, and ensures greater warmth and comfort.

• ROBUST CONSTRUCTION

The aluminum frame is embedded in an aluminum honeycomb floor panel. This ensures high stability, durability, and a secure feeling while traveling.

• FLEXIBLY EXPANDABLE

Roof rack-compatible aluminum shell with a high load-bearing capacity and two accessory rails for optional equipment such as solar panels, awnings, or other accessories.
