Highlights

- THE POPULAR TEAK – FOR UP TO THREE PEOPLE**
 Following the success of the TEAK 135, the popular hybrid rooftop tent is now also available with a width of 160/180 cm and space for up to three people.
- POLE-FREE SETUP**
 Ready to use in just a few steps – the absence of poles and an integrated ladder ensure effortless setup in barely more than a minute.
- MORE HEADROOM & FULL SLEEPING LENGTH**
 The special lid design provides freedom of movement and a full 200 cm sleeping length.
- SPECIAL RAINFLY DESIGN**
 Ensures light and fresh air inside the tent – even in rain and bad weather.
- INTEGRATED ROOF RACK SYSTEM**
 Additional storage space directly on the hard shell for gear and equipment.
- WELL-DESIGNED INTERIOR**
 LED lighting, mesh groundsheet, pockets, and mosquito nets are integrated as standard.

Why the TEAK 2.0?

- **A SPACE WONDER**

Not only is the interior space impressive, but numerous organizers also ensure you always have enough storage for your belongings. Your bedding can stay in the tent!

- **QUICKLY READY**

Perfect for spontaneous stops – unfold, set up, and spend the night. The ladder now stays inside the tent and doesn't need to be carried separately.

- **RESTFUL SLEEP**

Our proven memory foam mattress ensures a restful sleep. The roof rack system expands your storage space.

- **BRIGHT & AIRY**

Overlapping window design provides views, light, and pleasant ventilation.

- **ROBUST OFF-ROAD DESIGN**

The aluminum case doesn't just look tough – it is.
